These activities cover the Year 5 aims for perimeter. This useful worksheet encourages Year 5 pupils to solve word problems involving perimeter. Children have to read the question and use the shape and measurements to it to work out the perimeter of the word problem. Great for teaching children to apply their knowledge of perimeter to real-life situations.

The curriculum for maths in Year 5. The main focus of maths teaching in upper Key Stage 2 is to ensure that pupils extend their understanding of the number system and place value to include larger integers. This should develop the connections that pupils make between multiplication and division with fractions, decimals, percentages and ratio.
