In the late seventeenth century, famed teenage pirate Emer Morrisey was on the cusp of escaping the pirate life with her one true love and unfathomable riches when she was slain and cursed with "the dust of one hundred dogs," dooming her to one hundred lives as a dog before returning to a human body-with her memories intact.

The Dust of 100 Dogs by A.S. King - Goodreads

The characters in THE DUST OF 100 DOGS were average. The Emer persona was witty and could be vulgar at times, but was a decent character. Saffron I found was quite interesting as well. It frustrated me at times that she didn't respect her parents, but hey she was soon out of that environment and that thought quickly left my mind.
