Yakuza: Japan's Criminal Underworld - David E. Kaplan ...

The Yakuza are said to use Hawaii as a midway station between Japan and mainland America, smuggling methamphetamine into the country and smuggling firearms back to Japan. They easily fit into the local population, since many tourists from Japan and other Asian countries visit the islands on a regular basis, and there is a large population of residents who are of full or partial Japanese descent.

Yakuza - Wikipedia

Yakuza is the first book to reveal the extraordinary reach of Japan's Mafia. Originally published in 1986, it was so controversial in Japan that it could not be published there for five years. But in the west it has long served as the standard reference on Japanese organized crime and has inspired novels, screenplays, and criminal investigations.
